

Project Application

Thank you for requesting consideration as a CATT Community Project. Please complete the application in as much detail as possible so we may accurately assess your project. You may be requested to attend a CATT Community Project board meeting to further discuss your request. Electronic submittal of your application is preferred. Our email address is: info@ca-tt.com. Submittal by mail or delivery should use our physical address: 12313 Soaring Way, Suite 1A, Truckee 96161. We are across the street from Truckee Town Hall. Our fax is: 530-550-9998. CATT Community Project is a 501c3 non-profit organization.

Project/Donation Criteria

- Project must be on government, agency, or nonprofit association property to receive donations OR Project on private property must be sponsored by an additional nonprofit association
- Project owners must demonstrate the lack of ability, knowledge or funding to complete the project without some form of assistance.
- C.A.T.T. Community Project (C.A.T.T. CP) can offer architectural/engineering assistance, project management, construction labor, and/or materials. C.A.T.T. CP is not a licensed contractor, architect, or engineering firm and does not assume liabilities or duties of licensed professionals. Owner and applicants are required to obtain appropriate permits and approvals.
