Denyelle Nishimori, Community Development Director

Town of Truckee Building Department.

To: All contractors working in Truckee.

As we continue to try and stop the spread of Covid-19 we would encourage all contractors to follow the guidelines put out by the CDC. Social distancing and the wearing of face masks have been proven to help prevent the spread of the virus. Posting the job site with signs that require the guidelines to be followed is a good way to keep workers informed and safe. Many of your workers come from out of the area and could be carriers of the virus. Truckee has been declared a hot spot in the spread of the virus and we want everyone to do their best to prevent the spread of the virus any faster. We don't want construction to be shut down so please make every effort follow the guidelines.

Thank you and stay healthy.

Daniel West

Building Department Supervisor

10183 Truckee Airport Road, Truckee, CA 96161-3306
